## Monthly Business Update (Annexure I)

- Ritco has entered a new Business Segment Iron and Steel providing B2B solutions.
- Logistics services started for new customer in edible oil segment from multiple locations.
- Several new customers added in Gujarat, Chhattisgarh and Maharashtra. These customers will add to Ritco's topline and margins.
- We are implementing the most advanced HRMS software. This would provide dynamic tools & techniques to manage our workforce and will help in organizational growth and development.
- Quality manpower added in Marketing & HR. In-house extensive training programs launched for organizational development.
- Another level of Automation completed - Ritco is now linked with NIC (National Information Centre) to get online verifications of Driving License and vehicle authentications which will help us to hire quality and verified drivers / vehicles. The improved process will enable us to reduce our operational costs.
